Location

Great Yarmouth has a residential population of 93,400 and a catchment area of 205,000 people within half an hour travelling time. The town is the third largest UK seaside destination and it also adjoins the well known Norfolk Broads National Park. Great Yarmouth is a major East Coast town with a strong manufacturing and warehousing base and a busy seaport serving the offshore oil and gas industry. The area has been enhanced in recent years by a steady programme of road improvements which have provided a vastly improved road link to London, the industrial centres of the Midlands and the North. A new deep water outer harbour is now completed.

The property is well located to the north ('sunny side') of Regent Road.

Regent Road is a pedestrianised street which links the town centre to the seafront and is especially busy during the summer months with its mix of shops, restaurants and leisure related occupiers.

The property is located within a short walking distance of Great Yarmouth town centre and Market Gates Shopping centre to the west and Britannia Pier (north point of the town's Golden Mile) to the east.

To the north and south of Regent Road are densely populated residential areas.

Description
